1. In Academic Writing part, Alex and Ruoqi focus on the _____ of papers.

1 / 1 point

○ abstract and introduction

◉ introduction and conclusion

○ body and conclusion

○ abstract and conclusion

✅ **Correct**
As mentioned in the video, the two speakers pay attention to the introduction and conclusion of papers.

---

2. According to Alex, which one in the following is NOT right?

1 / 1 point

◉ The abstract is a detailed summary of the paper.

○ The conclusion is the part where you conclude your paper and also you can give out the results and findings of the paper.

○ The introduction is where you lead the reader to the main topic, introducing and reviewing some previous research.

○ The body of the research is where you show your research in detail.

✅ **Correct**
From Alex, the abstract is a very brief summary of the paper, so the first statement is wrong.

---

3. From the dialogue, which one in the following is NOT included in an introduction?

1 / 1 point

○ background information about the topic

○ justification of the choice of the topic's focus

○ introduction of the topic

◉ acknowledgements

✅ **Correct**
From the dialogue, an introduction should include background information about the topic, introduction of the topic and justification of the choice of the topic's focus. Acknowledgements should not be included.

---

4. According to Alex, what are the optional elements in conclusion part?

1 / 1 point

○ detailed data and new analysis.

◉ future research required and limitations of the work

○ logical conclusion and brief summary of the main ideas

○ comments and prediction of future development of the topic

✅ **Correct**
From Alex's point of view, future research required and limitations of the work are optional in the conclusion part.

5. Which statement in the following is right?

1 / 1 point

○ All the details of the data should be mentioned in the conclusion part.

○ Telling other people about the limitations of your research is not wise.

○ No specific data should be mentioned in the conclusion part.

◉ Just a brief summary of the data should be mentioned in the conclusion part.

✓ **Correct**
As mentioned in the video, data should be mentioned but not all the details, and it's wise to tell others about the limitations of the research.

5. Which statement in the following is right?

○ All the details of the data should be mentioned in the conclusion part.

○ Telling other people about the limitations of your research is not wise.
